FINALS RESULTS:

Edward Basonic (4th seed) defeated Rafael Gonzalez III (5th seed) 237-212. Brian Martinsen Sr (3rd seed) defeated Ed 272-225. Brian defeated Jerry Johnson (2nd seed) 261-228. Brian defeated Jennifer Esguerra (1st seed) 263-257 to win his 1st ABT Title!!
 Congratulation Brian, you took advantage of some good breaks and bowled very well this weekend. Congratulations to our top 5 cashers, this event was very high scoring and you all proved to have what it takes in this type of scoring pace.

CLASSIC CHAMPION(S) PROFILE: Brian Martinsen (1)

Brian is 47 years old and married to Bobbie Martinsen. Their children are Sylvia, Brian Jr and Bobby. Brian was bowling with a Complete NV drilled by Tee Fuller Pinehurst in North Carolina. Brian said he is going to use his winnings to pay down some credit cards. Brian wanted to thank all the Vegas bowlers and Jason. In closing Brian said " it was the best shot I have ever bowled on in my 20 years of bowling. Everyone was nice to me being an out of town bowler". The ABT Las Vegas always appreciates the support from the other ABT branch members from around the country. Thank you for visiting us Brian and we hope to see you again. The ABT is very fortunate to be welcomed into great centers like Red Rock Lanes. Thank you to all the members that turned out in force on Sunday with 35 entries. Combined with our 32 entries from Thursday and Saturday, we showed how strong our club is even at our slowest time of the year. I appreciate it and I know Red Rock will be happy to see us again in October. Congratulations to our 20 members that cashed this event. See you all in 2 weeks at the Mega Event.

Jason and Becky Lanktree and the ABT would like to thank **Dennis Mathews, his fine Staff & Red Rock Bowling Center**
 The ABT looks forward to our next tournament at Red Rock

The ABT of Las Vegas would like to thank all the great members that support the Club. Separate Divisions and lower entry fees, more reasons to BOWL THE ABT!!

Total paid out by ABT Las Vegas since opening in September 2004 = \$692,488.00
